MOBILE REVERSE OSMOSIS ULTRA PURE, SPOT FREE WATER

Mobile Pro Spot Zero WaterPurifier

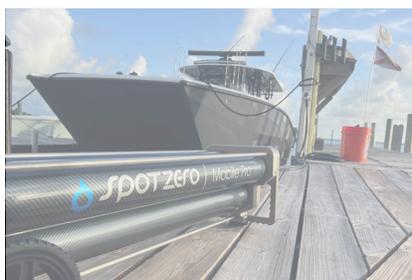

Spot Zero's Mobile Pro is designed for boats that don't have the space for a built-in Spot Zero WaterPurifier System. With Spot Zero Mobile Pro you can enjoy ultra-pure spot free wash downs and pure water benefits, in a portable, compact design. The Mobile Pro series removes up to 99% of water-borne contaminants, from any dockside water source. Say goodbye to chamois drying, once and for all!
